Effetto Deleuze 1 / Deleuze Effect 1

Isola dell'Arte and Millepiani present
an initial exhibition and encounter-discussion on the philosopher Gilles Deleuze

The show will include original **videos of Deleuze** discussing different subjects, and **"Deleuze Film Library"** and a **"Deleuze Picture Gallery"** made by the **Sugoe** workshop based on a concept by **Marco Scotini**. A **"Deleuze Library"**, also organized by **Sugoe**, will be stored in the **"Villa Savoye"** structure by **Andrea Sala**.

Steve Piccolo, Christian Raimondi, Christian Alati have created a sound work for the occasion, **"Ritornello"** with the special participation of **Bruno Pizzul** who reads excerpts from texts by **Deleuze**.

The performance **Qui non è più adesso** is a reading by **Gianfelice D'Accolti** of a text by **Marco Vaglieri** and **Filippo Pretolani**, **Sunday 12 June at 16.00 and 20.00**.

The encounter-discussion "Gilles Deleuze and philosophy" on **Sunday 12 June, 18.30** at **ufficio out** will include contributions by **Tiziana Villani, Ubaldo Fadini, Alessandro Rudelli, Katia Rossi, Marco Scotini, Silvano Cacciari, Luca Cremonesi, Roberto Callegari** on the main themes of the work of the French philosopher.

Special projects

The exhibition also includes three special projects:

"Osservatorio inOpera"

of **P. Almeoni, S. Muzi, P. Sabatti Bassini** proposes reflection on artworks that are destroyed through premeditated, direct or indirect action.

"Stazione Isola"

New elements for a tourism guide to the Isola and a radio program by **Katia Anguelova and Stefano Boccalini** in collaboration with **Sugoe**

"Wurmkosbau"

on 12 June **Wurmkos** holds an **open workshop** in the parks of Via Confalonieri, with the **Comitato i Mille** and the **Parents' association** of the Istituto comprensivo Confalonieri. Drawings produced by **Wurmkos** and those made by the children in school on the theme of green spaces will be sewn together to become a part of the **Wurmkosbau** space inside Isola Art Center .
